EDUCATION

CodeSquad in Full Stack Web Development	June 2023
University of Massachusetts Boston (BS in Management)	May 2018

WORK EXPERIENCE

Arvinas	Nov 2022 - Present
Senior Financial Analyst	Boston, MA

- Develop comprehensive financial models and dashboards with enhanced data visualization, empowering key stakeholders, including the Board and C-Suite leaders, to make informed decisions with confidence
- Collaborate closely with business leaders, providing insights and guidance on budgetary matters, fostering an improved understanding of financial performance and resource allocation
- Ensure financial accuracy by reviewing accounting coding, leading to error-free financial reporting

Sanofi	Jan 2021 - Oct 2022
Finance Business Partner	Cambridge, MA

- Budgeting and Forecasting: analyzed historical performance, developed and issued budget templates, and collaborated with department leaders in establishing budget assumptions
- Improved forecasting accuracy and fostered more meaningful business partnering by spearheading the redesign of multiple reports to streamline data analysis. Examples include Headcount Model, Personnel Analysis, Third Party Performance.

Ernst & Young	Oct 2019 - Jan 2021
Senior Associate (Assurance)	Boston, MA

- Ensured optimal personnel utilization by supervising associates and overseeing their project assignments
- Evaluated the internal control weakness and offering value added suggestions for remediation
- Interviewed Controls Owners in understanding the risks surrounding the business operation and controls
